Hi Gianine,

Attached is the original quote along with the subjectivities.

Subjectivities to get final approval from company as follows:

- Please provide a full schedule of activities associated with this event.
- How is attendance controlled? Please provide security details and advise how the event space is cordoned off from the rest of the Ciclavia event.

Given the new information you provided we'll have to amend this quote to include Hired & Non-Owned Auto coverage and add the City of L.A. as additional insured. Also, if the City will not waive the Workers Compensation insurance requirement, I will have to requote with a different company and they require the attached Work Comp section completed.

Please contact me with any questions.

I will check back early next week if we have not heard back from you. We are on hold with our insurance quote until we receive your requirements.

Thanks so much.

Good Morning,

My pleasure.

Okay, great. I am not certain when we will have all the fees and insurance because once I make the contract, it will need to be reviewed by the Risk Management team. I am hoping to get all that to you within a week at least.

Also, we originally received this request from a Lorena Parker. I wanted to make sure that person is with your group and that I can delete that request and only focus on you being the main person to deal with regarding this event.

Hello,

Okay, great. We will need time to create the full permit so that we can send it to our risk management team to determine how much insurance will need to be obtained by your organization to go forward with the event. At that time we will also be able to provide you the fees and the deposit amount.

Let me be sure I have all the information correct:

Hi Rauhman,

Per the email you received from the Council Office from Sandra Ciaramitaro they have approved us to use the parking lot.

Yes, the request is from us to reserve the lot for the Ciclavia event. We are doing an event in-conjunction with the Ciclavia event.

Please advise what next steps are needed to secure the lot. Please advise what permit is needed to proceed and insurance required.

Thank you,

Good Afternoon Arnil

We are working with San Pedro BID on their event Sun 08/13/2017. They are requesting the use of LADOT lot 735 located on Mesa between 5th & 6th Streets in San Pedro CA.

Can you please share the proper protocol for use of the lot. Let us know what you need on our end. I also have Gianine Rizzi with San Pedro BID here if you have further questions.

We have reached out to the Council Office and are waiting to hear back.

I wanted to double check something as well. We had already received a request to use this parking lot on the same day for something called Ciclivia. Is this the same event that you are planning?
